POULTRY SITUATION

GLENDALE POULTRY RAISERS AND EGG BARONS GIVE VIEWS

There is considerable agitation at present over the high prices of butter, milk and eggs and bitter recriminations have been passed back and forth between Senator Brown and Harris Weinstock, the State Market Commissioner, the Senator charging the Commissioner with fostering trusts and aiding profiteers, especially in the selling of eggs. He charged that the several Poultrymen's Associations were organized and conducted solely to keep up the price of eggs.

Vernon A. Carr, of 511 W. Broadway, expressed himself most emphatically on the latter allegation. He is a member of the Los Angeles Association and he declares that they are governed entirely by the constantly changing market quotations and there is not the slightest effort made to fix prices. Indeed, there are so many poultrymen owning small flocks that are in no association that a combine on prices is impossible. He says the general statement made recently that eggs are being sold at a loss to the producer is not true. There is a good living profit in eggs as now sold, if care is used in the buying of feed and the health of the flocks is constantly looked after. The owners of small flocks, who have to buy feed in small quantities cannot count on much of a profit, however. Mr. Carr mixes his own grains and mash and does systematic feeding. He says his flock of nearly 3,000 White Leghorns is now making a record of 60 per cent.

Mrs. Durham, 611 W. Elk Ave., with 140 White Leghorns, reports between 55 and 60 per cent. and that her hens are paying a fair profit.

Mrs. Geo. A. Wilkins, Colorado and San Fernando Road, has 1,200 hens—White Leghorns and Barred Rocks. She reports 60 per cent. production and that her baby chicks are making fine growth, with very few losses. She does not prefer the Association plan, though she has been importuned many times to join. She does not think the advantages of buying feed at lower prices compensates for 2c to 3c lower price secured for eggs. She uses some of the prepared mixtures but does her own compounding of feed for the baby chicks. There is a fair profit in poultry and eggs at present prices, is her opinion, but she points out that with feed no lower than a year ago, the egg price is 3c lower than last year's minimum.

COMMUNITY SINGERS

MANY ATTENDED THURSDAY MEETING TO PRACTICE FOR CONTEST WITH HOLLYWOOD

The storm of Thursday evening in no way diminished the enthusiasm of the main body of singers who sustain the Community Sing. They were present at the High School in goodly numbers and did such wonderful work that their leader's enthusiasm mounted to great heights and he predicted wonderful things for them if they do as well next Thursday night in the contest with Hollywood singers. He congratulated the chorus on having so many trained vocalists who are willing to "work in the ranks" and declared it was a wonderful advantage to the community to have their help in this enterprise.

Mrs. Ella Richardson was elected secretary to take the place of Mrs. Pack who is still very ill. She assumed her duties at once and was on hand at the door when the audience dispersed securing several subscriptions.

Quite a delegation from Glendale will visit Hollywood next Tuesday evening to attend the Community Sing there and learn the kind of drill that chorus is receiving. The delegation will include Mr. and Mrs. Puffer, Mr. and Mrs. Howeth, Mrs. Richardson and party, Mr. and Mrs. L. N. Hagood.

ST. PATRICK'S DANCE TONIGHT

The jolly old Irish patron saint is to be properly honored in Glendale this year. Tonight, at the Pearl Keller studio the regular party in the series which is being given by Mrs. Keller will take place and emerald green will dominate the scene.

The junior ballet of twelve little girls in new green satin costumes will dance the Irish jig in true Celtic fashion and after they have finished Baby Virginia Mull, who is only about three years old, will dance the jig as a solo.

Little Robert Lehman will do Irish song and dance numbers.

GENERAL INDORSEMENT

LOCAL MINISTER'S PLAN OF PRE-EASTER CAMPAIGN RECEIVED WITH ENTHUSIASM

For some time past Rev. Clifford A. Cole of the Central Christian Church has been studying out a plan for a Pre-Easter campaign of six weeks for Sunday Schools. By recalling some methods used in the East and consulting with some leading workers he was enabled to outline a plan which when presented to the Christian Sunday School Association of Southern California, received instant approval and it was adopted unanimously. Every Christian Sunday School in Southern California begins the program tomorrow. The plan was submitted to some of the National Sunday School workers of the Christian Church and received a similar endorsement, with the promise that it would be adopted in all the schools of the Brotherhood in the United States and Canada next year. This program, briefly outlined as follows, opens tomorrow under Supt. Willard Learned's enthusiastic leadership in the Central Christian Sunday School of this city:

Special Days

March 16—Preparation Day:
1. Enlist every one in the Campaign.
2. Secure subscriptions to the Loyalty Bond, enlisting every one in the Campaign.
3. Sermon on Personal Work.

March 23—Every Member Visitation Day:
1. Send out teams of workers to call on every member of the Bible School and Church, and all others whom you might interest. Secure more subscriptions to the "Loyalty Bond," and advertise the Campaign, especially stressing the following Sunday.
2. Set an aim to double the Bible School attendance next Sunday.

March 30—Every One at Sunday School Day:
1. Double your attendance.

April 6—Every One at Church Day:
1. Have a great unified service.
2. Have a talk prepared for the children.
3. Sermon on "Value of Church and Bible School to the Community," or some kindred subject.

April 13—Consecration Day:
1. Pledge your people to a Week of Prayer and Personal Work.
2. "Workers' Covenant" card signing, pledging each one to strive to win one.
3. Distribute "Membership Cards" No. 3 and No. 4 to Teachers and Workers, and send them out on a Campaign to secure commitments for the Decision Day Services.

No. 3 is the "Primary Obedience Membership" card, to use in campaigning for souls for Christ. No. 4 is the "Letter and Statement Membership" card, for securing signatures of those who should take membership with the church.

4. Conduct Evangelistic services every night during the week. These meetings might well begin April 6th.
5. Get your teachers together a half-hour before the Bible School opening, for a Prayer Service.
6. Stress and work for Decision Day.

April 20—Easter and Decision Day:
1. Teachers together for half-hour prayer service before the Bible School opening.
2. Teachers make final talk to classes in preparation for Decision Services.
3. Short exhortation and invitation at re-assembly of the Bible School. Teachers sitting with classes.
4. Decision Day sermon followed by invitation.
5. Great Baptismal service at night.

CONGREGATIONAL CHURCH TREAT

To receive five wounds, be carried off the field on a stretcher, and then get well and be able to come home and go to work is some experience, but that is just the experience which the man has had who speaks at the evening service.

This man is Rev. Herbert Nelson McKee, formerly of Fowler, California, a "Y" worker in France. It was in the terrible Argonne Drive, before daylight on the morning of October 10th, while going forward with the men of the 2d Battalion of the 325th Infantry that Mr. McKee received his wounds.

Early that same morning, after being already 72 hours in the same battle, Dr. Willisford who was caring for the dying and wounded found Mr. McKee and helped the doctor dress the wounds. Mr. McKee will have a story that many will no doubt want to hear.

WEATHER FORECAST: Fair tonight and Sunday. Increasingly cloudy Sunday. Heavy frost in interior.

(Special Service to Glendale Evening News)

New York, March 15.—Secretary Tumulty today issued a statement regarding a report that the League of Nations will not be included in the peace treaty, saying:

"I cabled direct to President Wilson, asking him if there is any truth in these reports, and this morning I am in receipt of a cable from the President stating that the Plenary Council has positively decided the league is to be a part of the peace treaty and that there is absolutely no truth in any repors to thecontrary."

SPEEDY PUNISHMENT FOR ASSAILANT

EMIL COTTIN, WHO TRIED TO TAKE THE LIFE OF PREMIER CLEMENCEAU, TO BE EXECUTED IN 15 DAYS

IRISH APPEAL TO AMERICA

IF UNITED STATES HAS LOST SYMPATHY WITH THEM, THEY FEAR THE WORST WILL HAPPEN

(Special Service to Glendale Evening News)

New York, March 15.—(Copyrighted, 1919, by United Press.)—Laurence O'Neill, Lord Mayor of Dublin, is attempting to unite the various Irish Colonials on some form of colonial rule as a step to prevent a possible bloody revolution.

O'Neill, in an interview with the United Press, declared: "The interpretation that America is against Ireland is the only interpretation I can put on the failure of President Wilson to acknowledge the invitation to come to Ireland which was extended to him on behalf of the government."

He said the Irish situation is most serious and that the people's feelings are stirred by the continual presence of thousands of soldiers. "Nobody knows what will happen," he said, "but everybody fears the worst. Military rule is severe. Men are arrested and imprisoned, often without trial."

He said the Irish hope the United States will help "in bettering Ireland's condition, but if the Americans have lost sympathy for us, I don't know what will happen."

PRESIDENT WILSON STILL FIRM

WILL URGE INCLUSION OF LEAGUE CONSTITUTION IN THE PRELIMINARY PEACE TREATY

(Special Service to Glendale Evening News)

Paris, March 15.—Although Andre Tardieu announced that the League of Nations will not be included in the preliminary peace treaty, President Wilson is understood to consider the league's inclusion desirable and he is expected to urge it.

The President is understood to be intending to inform the peace delegates of his position during today's meeting. He does not expect the complete structure of the league to be included in the preliminary treaty, but it is understood he advocates the inclusion of the constitution in its present form with a minimum of amendment.

ABDUCTION OF DR. HUERTA

SAID TO HAVE BEEN TAKEN ACROSS MEXICAN BORDER FROM DOUGLAS AND EXECUTED IN DECEMBER

(Special Service to Glendale Evening News)

Phoenix, Ariz., March 15.—Governor Campbell today forwarded to the State Department a confidential report from the county attorney of Cochise County of the alleged abduction of Dr. Huerta and another man from Douglas, Ariz., in December, and their subsequent execution in Mexico. Governor Campbell refused to discuss the report.

WORKERS KILLED IN AUTO ACCIDENT

(Special Service to Glendale Evening News)

Redondo Beach, March 15.—Four shipyard employes at San Pedro were killed and one was fatally injured early today, when a Pacific Electric train, running between El Segundo and Redondo, struck their automobile, near here.

The men were en route to work. Trainmen said the autoists had attempted to beat the train over the crossing, the train hitting the auto squarely in the center. Three were instantly killed beneath the wreckage and the fourth died en route to a hospital. The fifth is in a Los Angeles hospital and is not expected to live.

NEARLY MILLION AND HALF SOLDIERS DISCHARGED

(Special Service to Glendale Evening News)

Washington, March 15.—The office of Chief of Staff March announced today that a total of 1,429,396 men have been discharged from the army to date.

WITH ENGINEERS

RALPH PROCTOR REPAIRS ROADS FOR SUPPLY TRAINS INTO GERMANY

Mrs. Frank Proctor of 1135 East Wilson Ave. has just received a letter from her son, Ralph, who is with the 23d Engineers, dated Feb. 17th, at Poincon, Eastern France. His company is engaged in repairing roads with crushed rock, so that motor truck supply trains can keep moving into Germany with "eats" and clothing for the Army of Occupation. It is hard, grinding work that is usually done by German prisoners and the boys will be glad when they can be relieved from this duty. Ralph has no idea when he can start for home. He says in this last letter, "You folks at home know more about it than I do."

A MAMMOTH BAKERY

Farris C. Brown of 217 W. Lomita Ave. in a recent letter to home folks says that at the post where he is now stationed, Is, on the Tille River, is operated the largest bakery in the world. It was constructed by the Americans and its capacity is 1,000,000 loaves of bread a day.

AT VERDUN

The most recent letters which Mrs. John Cotton of San Rafael Ave. has received from her husband stated that he had been commissioned to make photographs for the Association and had spent several days at Verdun, which is a scene of desolation. The only people there are the French and American soldiers and German prisoners. About 25 or 30 Y. M. C. A. workers are kept there because the boys are dependent on them for entertainment and the situation is so dreary. Everything is in ruins, and the men sleep wherever they can find a shelter. In the wreck of an old chateau, which has been patched up, they have distributed their army cots in every available place.

EFFICIENT GERMAN GRANDMOTHERS

Mrs. Clara Hamilton of Acacia Avenue is anticipating the arrival today (Saturday) of a relative, Mrs. Fish, of Ohio, who will spend several weeks here and then go north to Tacoma to visit her son.

Her son Donald is with the Army of Occupation in Germany and writes that the boys are treated finely, but he does not like Germany and is anxious to get home. The soldiers are billeted in the German homes and he tells of the grandmother in the family with whom he lodges who spins yarn for a pair of socks one evening and then knits the socks the next evening.

IN APPRECIATION

A little Japanese girl 13 years old who recently graduated from the Cerritos Ave. Grammar School held in such high appreciation the teachers who had been so patient and helpful in her school days there, that she wished to show her love so sent a tree to be set out in the school yard. The tree stands there now and is growing nicely. The following leter from the little girl accompanied the gift:

Dear Mr. Harwood:

In memory of my graduation from the school, will you kindly plant this tree, Ginkgo by name, somewhere on the school grounds.

Its Japanese name, for it came from that country, is Icho and the nuts which this tree bears are called Ginnan. This tree has maiden-hair leaves, is very hardy and will thrive through hot or cold for five hundred years.

Your ex-student,
JUNE GOTO.

STILL AT ROCHESTER

Mrs. Charles Wallace Kimberly, who is now in Rochester, Minn., where Mr. Kimberly expects to undergo an operation to be performed by the Mayo Bros., reports he is being made ready for the ordeal which is set for two weeks hence, and that their stay in Rochester will lengthen to about seven weeks. The weather has been bright there, but cold, below zero most of the time with lots of snow. It is a radical change from California, but she is enjoying it. She misses her garden—the more because carnations and jonquils cost $1.50 to $2 per dozen and roses $4 to $5 per dozen.

The Kimberlys will visit relatives on the way home and so are not likely to see California very soon, but Mrs. K. writes she will be very glad to get back to the little gray house again.

GLENDALE ENTHUSIAST

G. G. MERRICK WANTS TO SEE GOOD HOTEL AND OTHER CITY NEEDS SUPPLIED

546 N. Maryland Ave.
Glendale,
March 14, 1919.

The Editor,
Glendale News.

Dear Sir:—

My father has just left for home after a very pleasant month spent with me here. Father, like myself, is very much in love with Glendale. He is fortunate enough to be able to come to California every winter and will certainly make Glendale his headquarters—but where is he going to stay? We need a **real** hotel worse than any other city I know of. We have every attraction for the tourist, only 20 minutes from one of the finest golf links in the West. Our roads are second to none. Scenery magnificent and all this only 9 miles from Los Angeles.

I cannot be a permanent resident this year, but hope to be next year. In the mean time let us put Glendale on the map. I would suggest that a very good way to start the movement would be for every public-spirited merchant and individual citizen to use an envelope which should be carefully gotten up showing Glendale's position on a small map and some of the most interesting statistics such as population, elevation, miles of paved streets, etc.

We are certainly proud of our merchants. I have lived in Glendale since early in December, 1918, and have spent over $1,000 here. Neither my wife nor I have found it necessary to buy a thing in Los Angeles. We have several times compared prices and have found Glendale (with its lower cost of doing business) below the prices of either Los Angeles, Pasadena or Long Beach.

There is only one thing I have against Glendale. A few of my brother motorists travel at far too high a speed for safety. This applies most to the boys who drive light delivery cars with their cut-outs wide open. Surely a word from our merchants to their drivers should stop this. Early this week my little sister had a rather narrow escape when two rival delivery boys were racing down Doran street. My duty was to report them to the police, but I am "laying" for them and "next time"—

G. G. MERRICK.

JUNIORS' IRISH HOP

DANCE GIVEN BY STUDENTS OF GLENDALE HIGH A TREMENDOUS SUCCESS

The Junior Hop at Masonic Temple is always an important social event, particularly to students of Glendale Union High School and they always try to make adequate preparations for the entertainment of a big crowd, but this time programs gave out so great was the demand for them, and when all expenses are paid the class will have at least $25 for its treasury. Besides local dancers, guests were present from Hollywood, Pasadena and Los Angeles.

As it was a St. Patrick dance, green and white very properly featured the decoration of the hall. Music was furnished by the Mansford Barnes and Fred Dodge orchestra, and punch was served during the evening. Miss Helen Ingledue headed the excellent committee of arrangements and the affair was quite irreproachable in all its appointments.

The premium for the prize waltz was won by Miss Laura Webster and George Hastings—a big, fancy box of candy.

DEATH OF ELIZABETH AULT

Mrs. Elizabeth Ault, wife of Aaron Ault, passed away this morning, March 15, 1919, at her home, 205 North Glendale avenue, after an illness which had lasted many months. She was 73 years of age and had been a resident of California for 25 years. She will be mourned by a large circle of friends. Funeral services will be held in the Jewel City Undertaking Parlors Monday at 2 p. m. and interment will be made at Forest Lawn Memorial Park.

TREES FOR SCHOOL GROUNDS

Frank Marek, City Forester, is engaged in a work now that meets with the hearty approval of grammar school teachers, pupils and patrons. This is the setting out on the grounds of the ten grammar schools of the city of hardy trees that will eventually afford welcome shade. Five varieties are used, namely: The Sycamore, Monterey Cypress, Carob or John the Baptist's Bread Tree, Camphor and Live Oak.

FOOD PRODUCTS INSPECTED AT 45 MARKETS

The food products inspection service of the Bureau of Markets, United States Department of Agriculture, has been extended until it now covers forty-five large receiving markets. As shippers and receivers become acquainted with the service, which supplies a neutral inspection for perishables, the condition of shipments improves, owing to better packing and loading of cars, while the operation of the service has tended to prevent loss through delays in unloading cars. Although as first established the service received applications only from shippers, recent legislation broadens its work and applications for inspection are now received from shippers,, receivers, dealers and other interested persons, a nominal fee being charged in each instance.

Among commendations of the inspection service received from farmers' and shippers' organizations is the indorsement of the American Fruit and Vegetable Shippers' Association in a resolution which was passed at a recent convention.

Think of an aviator soaring through the air at 100 miles an hour with transmitter at his lips and ear-piece over his head, talking to and being answered by Secretary Daniels, seated comfortably at his desk in Washington, more than 150 miles away! Would the wildest romancer have conceived of such a thing even ten years ago? Yet this was accomplished but two or three days ago.

Personals

Roy Kent is absent on a business trip. He is expected home Monday or Tuesday.

Mr. Hoskins of Santa Ana is the guest of his daughter, Mrs. Harwood, of 208 Cypress avenue.

Miss Ellen Churchill and Miss Minnie Moulton have returned from San Diego and Miss Churchill is suffering from a bad cold.

Mrs. H. V. Brown has relinquished the secretaryship at Intermediate School and Miss Margaret McPherson is taking her place.

The rain fall since the report given yesterday, Friday, March 14th, has been .90 of an inch, making a total for the season of 10.89 inches.

Mrs. Rebecca McDonald of Maryland avenue has been called to Pasadena to take care of her sister, Mrs. Guernsey, and her two children, who are ill of influenza.

Ed Lee of the First National Bank is making steady progress toward recovery from the operation which he recently underwent. Attorney James McBryde has been assisting W. W. Lee in the bank part of the time in the handling of escrows.

Boys in the class taught by Charles Ingledue, one of the teachers in the Methodist Sunday School, had been promised a hike with him up into the hills this afternoon to spend the night but on account of the storm and cold the excursion has been postponed.

Mr. and Mrs. Grainger and family of 459 West Maple street have just returned from a week at Ocean Park where they made their headquarters at the St. Regis. The weather was perfect throughout their stay until Thursday and the children thoroughly enjoyed the beach and other seaside pleasures.

In spite of the weather man's forecast of clear weather for last night, 12-100 of an inch of rain fell, but it was due in a measure to local conditions because at the time the clouds were stationary over Glendale, bright skies were to be seen in the east and also in the west over Los Angeles. This additional precipitation brought the total for the season to 10.89 inches.

Mr. and Mrs. Frank M. Newell of 142 West Eulalia street have traded their home for ranch property at Ontario, where they plan to grow peaches and raise chickens. The purchasers are relatives of Dr. H. E. Sharpe of Eulalia street. They have taken quarters at the Snyder apartments for a short time as Mrs. Newell will go east in a few weeks and Mr. Newell will then go to Ontario.

Dr. E. H. Willisford will give an address at the South Main Street M. E. Church of Los Angeles tomorrow (Sunday) night. This church has 180 stars on its service flag, six of which are now golden. This service is to commemorate the splendid service of all and especially to honor the memory of those who have gone "west."

When the pastor of that church was seeking to get a strong and suitable speaker he was told by all means to secure our own Dr. Willisford.

In Mr. Willisford's absence, Rev. Herbert Nelson McKee, who received five wounds while doing oversea service, will give the Sunday evening address.

MASONIC NOTICE

Unity Lodge, No. 368, F. and A. M., will confer the First Degree Tuesday evening, March 18th, commencing at 7:30 o'clock.

Life Insurance
Vs. Death Insurance

With all of the increased mortality in 1918 caused by the flu and the war, the death-loss of "The Provident" was still 11.8% less than that provided for, according to the mortality-table.

The Company paid death-claims of $4,390,000 and matured endowments of $3,307,000.

In 1917, a normal year, we paid more in endowments than in death-claims.

The Provident believes in protecting against old age, as well as death, and is the only Company which sells more Endowment (Living) insurance than of Life (Dying) insurance.

Let me show you the advantages of Endowment over Life policies and the very small increased deposits necessary to procure them.

Albert Shiels, Jr., son of Albert Shiels, Superintendent of Los Angeles Schools, is in that regiment and has written Glendale friends that he will soon be sent to Camp Kearny for discharge.
